MOTIVATIONAL LETTER

Respected Sir / Madam

I am a young and vibrant student who is currently a second year student at North West University towards a qualification of Information Technology (B.Sc).

I believe my exposure at varsity level has given me an insight in the importance at personal development and a variety of possible career paths going forward. I currently need a practical exposure in the workplace that will help me develop the application of theoretical component of my studies in company as a temporary during school recess.

I hope my application meets your favourable consideration.

Sincerely

Miss Sibongile Radebe
